BRIGHTER FUTURES

CHILD CARE

YMCA OF CENTRAL OHIO

BEGIN AT THE Y

We believe the values and skills learned early on are vital building blocks for quality of life. Because of the Y community, kids in neighborhoods around the nation are taking more interest in learning and making smarter choices. At the Y, kids learn ABC's, learn to share, learn about sportsmanship and, most importantly, learn how to be themselves. That makes for confident kids today and contributing adults tomorrow.

YMCA EARLY LEARNING

The YMCA proudly offers infant, toddler and preschool care and education at three full-day early learning centers.

OUR CURRICULUM IS CREATIVE!

Your kids are discovering all kinds of exciting worlds. At YMCA Child Care, we carefully design every activity to expand their imaginations and encourage lifelong, positive values. We follow The Creative Curriculum® and focus on kindergarten readiness skills.

All three early learning centers are licensed by the state of Ohio, accredited by the **National Association for The Education of Young Children (NAEYC)** and are all star rated in Ohio's **Step Up To Quality Star Rating System**.

NAEYC Accreditation is a nationally recognized designation of the highest quality early education programs.

is Ohio's Star Rating System for licensed early childhood programs. Star-rated programs have low staff-to-child ratios, highly trained staff, early education programming and a commitment to continuous improvement.
