Buckeye Valley Y-Club Weekly Rates - 2018-19 School Year Tuition Payment Structure and Fee information

School Age Care is billed weekly based on type of care selected. The weekly fee represents one week's tuition. The weekly fee may vary some weeks due to scheduled days off. Payments are due each Friday for the following week of care. Advance payments may be made for future weeks of care.

We prefer families pay by automatic EFT with debit card or banking account, or an automatic credit card payment. This ensures worry-free, on-time payment and no late payment fees. When paying your registration fee, you may provide your credit card to be applied to weekly payments as well.

In circumstances where families do not prefer automatic electronic payment, you can:

- Pay on your online account
- Make weekly payments at YMCA or send payment by mail prior to the due date.

Automatic Payments are drafted on Friday mornings for the following week of care. You may occasionally have an EFT charge on Friday for past sessions if a previous payment was not processed successfully.

Cancellations need to be communicated via email to the child care registrar and require a two week notice. We do not accept cancellations by phone.

Siblings will receive a 10% sibling discount which will be applied to the second and any additional siblings Y-Club fees. Discount does not apply to registration fee or any previously reduced rates.
