Preschool and Pre K at the YMCA

Weekly Rates - 2018-19 School Year

Tuition Payment Structure and Fee information

Preschool is billed weekly based on type of care selected. The weekly fee represents one week's tuition. The weekly fee may vary some weeks due to scheduled days off. Billing for the first week will begin on Friday August 10th and will continue weekly throughout the school year. Payments are due each Friday for the following week of care. Advance payments may be made for future weeks of care.

We prefer families pay by automatic EFT with debit card or banking account, or an automatic credit card payment. This ensures worry-free, on-time payment and no late payment fees. When paying your registration fee, you may provide your credit card to be applied to weekly payments as well.

In circumstances where families do not prefer automatic electronic payment, you can:

- Pay on your online account
- Make weekly payments at YMCA or send payment by mail prior to the due date.

Automatic Payments are drafted on Friday mornings for the following week of care. You may occasionally have an EFT charge on Friday for past sessions if a previous payment was not processed successfully.

Cancellations need to be communicated via email to the child care registrar and require a two week notice. We do not accept cancellations by phone.

Financial Assistance is available for families that qualify. Child care fees will be based on a sliding fee scale. You may inquire about assistance with the Child Care Registrar. The YMCA is also a recipient of Public Funded Child Care.
