

Message from President & CEO Tony Collins

YMCA of Central Ohio

Mon, Mar 16, 2020 at 8:10 PM

YMCA OF CENTRAL OHIO

Dear YMCA Family,

Words cannot express the amount of empathy I feel for all who are impacted in our community by this health crisis. We are experiencing an event that is requiring unprecedented decisions by many including leaders in our government, businesses, schools and our community nonprofits - including the YMCA of Central Ohio.

In coordination with the order issued by Governor DeWine and the desire to help the communities we serve, we will be closing all of our YMCA of Central Ohio branches at their normally-scheduled closing times today, March 16. While we don't have an end date for this temporary closure, please know we are monitoring the situation and will reopen as soon as possible.

The YMCA is deeply rooted in faith and our core values. Our mission to build healthy spirit, mind and body for all, lives beyond our traditional community centers. The YMCA of Central Ohio is the region's largest provider of childcare and is a part of a community partnership to shelter and house our neighbors most in need. We provide summer camp and program scholarships as well as access to health and wellness opportunities for youth, families, and seniors.

I know you have difficult decisions ahead of you; please consider continuing your YMCA membership. Know that your membership is an investment in this community.

Thank you, and I look forward to seeing you at your YMCA soon.

In the spirit of our movement,

Tony Collins
President & Chief Executive Officer
