Y-Club Weekly Rates serving Circleville City Schools

2022-2023 School Year

Tuition Payment Structure and Fee information

School Age Care is billed weekly based on type of care selected. The weekly fee represents one week's tuition. The weekly fee may vary some weeks due to scheduled days off. Payments are due each Friday for the upcoming week of care. Advance payments may be made for future weeks of care.

We require automatic EFT with debit card or banking account, or an automatic credit card payment. This ensures worry-free, on-time payment and no late payment fees. When paying your registration fee, you may provide your credit card to be applied to weekly payments as well.

Automatic Payments are drafted on Friday mornings for the following week of care. You may occasionally have an EFT charge on Friday for past sessions if a previous payment was not processed successfully.
