

Gahanna YMCA Camp Registration Guide

Thank you for considering the Gahanna YMCA for your child this summer! This guide contains important information regarding the registration process. If you have additional questions, please do not hesitate to reach out to the YMCA at 614-416-9622.

Registration Dates

- Online Registration Opens: February 1st at 7:00am
- In-House Registration Opens: March 1st, by appointment only
 - Call 614-416-9622 to make an appointment
 - Planning to use Title XX for camp? You will need to register in house to avoid the weekly deposits.
 - At this time ACE funding is not accepted by YMCA of Central Ohio camp locations. Additionally, YCO offers locations that accept TANF applications for subsidized camp

Online Registration

- You will need an account to register for camp. If you are already a YMCA member or have registered for programs in the past, you likely have an account. *****It is HIGHLY recommended that you log into your account prior to registration day to ensure your account is set up correctly and that you have access.*****
- If you do not have a YMCA account, you can make one at ymcacolumbus.org/hub. You can either sign up for a membership and receive a \$30 weekly discount on camp or you can create a non-member account (the very last membership option on the page).

Registration Tips

- See camp availability and register for camp here: ymcacolumbus.org/hub
- Please allot 30 minutes PER CHILD you plan to register, as you will be filling out all medical forms at time of registration.
