OUR NET PROMOTER SCORE

is comparable to world class companies like Apple, Amazon and Kohl's. The Net Promoter Score is the leading indicator of customer satisfaction, because it only takes into account the highest ratings on a scale of 1-10.

25-50 NPS: Good, indicating positive customer sentiment and potential for improvement. **50+ NPS:** Excellent, indicating strong customer loyalty and positive brand perception.

Gain New Skills & Experiences with a Sense of Achievement, Work on Implementing Lessons with Core Values & Improve Recruitment of Staff

Programs will implement additional lessons to help students gain new skills and experiences that help students to have opportunities for sense of achievement. Programs will design and begin implementing regional lessons and curriculum on core values. Also, we will work on recruitment for additional staff
